## Mid-Semester Evaluation

Section Number:

Keep in mind that we're doing this to make both lecture and section better, thus helping YOU get more out of the class. Both negative *and* positive comments can be helpful, and above all, please be honest (this is an anonymous evaluation)! Fill out as much or as little of it as you'd like. If you need more room, feel free to use the back of the page.

### Lecture

I go to lecture (circle one):      most of the time      some of the time      hardly ever  
If not most of the time, why?

With 1 being worst and 5 being best, rate the overall usefulness and clarity of the lectures:

1    2    3    4    5

Comments on the lectures:

One (or more) thing(s) I like that Prof. Chiang does:

One (or more) thing(s) I wish Prof. Chiang would do better or more:

### Section

Rate the following aspects of your discussion section (1 being 'terrible', 5 being 'great') and comment on them (i.e. need more/less, useful/useless, annoying/awesomely cool):

Worksheets & Demos:      1      2      3      4      5

Comments:

What does your GSI need to do more of in section:

What does your GSI need to do less of in section:

## Other

If you come to TALC, with 1 being worst and 5 being best, how would you rate its overall usefulness:  
1    2    3    4    5

Comment on TALC (does it seem to raise your homework grade, does it help in a productive way, are the group-work and board-work methods useful, etc.):

If you come to TALC, please comment specifically on *your* GSI's performance there (are they helpful, do you understand the material better after discussing it with them, etc.):

If you come to the professor's office hours, with 1 being worst and 5 being best, how would you rate its overall usefulness:    1    2    3    4    5
